

So What Do
“Soft Skills”
Mean To Me?

ISPE[®]

WE ALL HAVE OUR MOTIVATIONS...

I AM BETTER EDUCATED THAN MY BOSSES...

I'M A GREAT ENGINEER...

MY WORK / PROJECT WILL GIVE ME RECOGNITION...

WE'RE UNDER PRESSURE WE MUST STEP IT UP...

I WANT MORE.... _____

GETTING TO TAKE THE NEXT STEP....

RECOGNITION

MORE THAN AN ENGINEER....ALSO A MANAGER

MORE THAN AN IMPLEMENTOR...ALSO A THINKER

MORE THAN A SMART PERSON...ALSO AN ENTREPRENEUR

SELLING ONESELF WITHOUT BEING CRAVENLY SELF-SERVING

THEN YOU HAVE TO PROSPER IN THE JOB....

ACCOMPLISHER

LEADER

MENTOR

TO GET THE NEXT JOB....

CONTRIBUTOR... ADD VALUE EVERYWHERE

A MASTER OF YOUR CRAFT WITH USEFUL INSIGHTS INTO ALL AREAS

UNDERSTAND ORGANIZATIONAL POLITICS

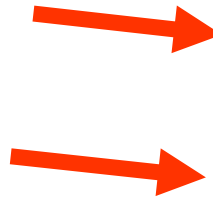

WILLING TO TAKE RISK...AN “ENTREPRENEUR”

YOU HAVE TO BE SEEN AS AN EFFECTIVE LEADER...

THE POWERS OF PERSUASION ARE QUITE USEFUL

TO GET....

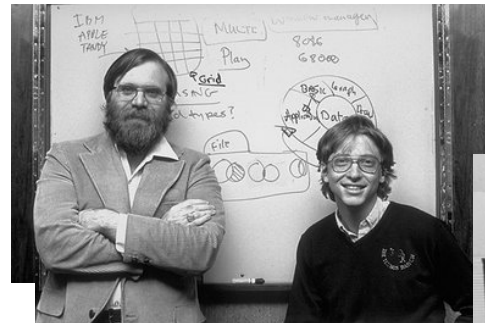

CULTIVATE & MASTER THE SOFT SKILLS...

BE WILLING TO LEAVE YOUR COMFORT ZONE...

WORK THROUGH OTHERS...

TAKE RISKS....

BE WILLING TO FAIL...

Thanks
