

JOIN THE 55th WALK FOR HUNGER. HELP RAISE MONEY FOR HUNGER RELIEF IN MASSACHUSETTS.

We've joined Project Bread's The Walk for Hunger to help get food relief to kids and families across Massachusetts. After being virtual for the last 3 years, one of Massachusetts' most iconic events is back in Boston! The in-person Walk on Sunday, May 7, 2023, will take the form of a fun-filled 3-mile walk around Boston Common.

Register now - it's free - and start your fundraiser today to help hungry kids and families in Massachusetts!

In 1969, The Walk for Hunger was founded on the promise, by the people of Massachusetts, to provide relief to our neighbors struggling with food insecurity. We know that you agree no one should go without a meal, yet *Project Bread* estimates that 1 in 5 households with children across the Commonwealth are facing hunger right now.

It's your donations, participation, and fundraising that has made The Walk for Hunger successful at achieving its mission for more than five decades. Thank you!

Location & Parking:

Boston Common
Boston, MA

What to wear: sneakers or walking shoes, weather dependent clothing
