

# Users and Providers: A Workshop of Exploring the Dialogue of Documents

**WHEN:** Thursday, July 25<sup>th</sup>, 2024  
5:00 pm – 8:00 pm

**WHERE:** Azzur Cleanrooms on Demand  
45 Jackson Road  
Devens, MA 01434

## **PROGRAM DETAILS:**

### **Users and Providers: A Workshop of Exploring the Dialogue of Documents**

Join us for an exciting and interactive evening with a facility tour, presentation, workshop, and social at the newly opened Azzur Cleanrooms on Demand in Devens. The event will start with refreshments and a tour of the Azzur Cleanrooms on Demand facility. The evening will focus on a workshop led by Howard Sneider, where we will explore the interplay of user requirements specification and scope of work documents. We will explore what each document needs to convey, and the process of mapping, analyzing, and validating how each requirement is satisfied. The participants will break into groups, practice eliciting, analyzing, and writing requirements, and share the results at the end of the workshop so everyone can benefit from each group's expertise. We will conclude the evening at Sterling Street Brewing located next door.

## **AGENDA:**

**5:00 PM - Arrival, Networking, and Facility Tours**

**6:15 PM - Presentation and Workshop**

**7:30 PM - Optional Networking at Sterling Street Brewing**

## **SPEAKER:**

**Howard Sneider** is a Senior Process/Specialty Engineer in the Advanced Technologies and Life Sciences department at Fluor. Howard has over 25 years of experience in process design, modeling, simulation, and equipment design. He has worked on each side of the relationship between the operating company and the architecture, engineering, and construction firm. Howard also has over 20 years of experience as a member of the ISPE Boston Area Chapter and volunteered as a member and leader of the Educational Program Committee and a general member of the Board of Directors.
